Effective May 1, 2005

1/3/5 YEAR LIMITED WARRANTY PROGRAM

Summary

Hearth Products Control Co. also referred to as **HPC**, or "**the company**" warranties all valve kits and remote controls against manufacturing defects that prevent safe and correct function of the valve and/or remote control for a period of 5 years from date of the shipment of that valve or kit to the original HPC customer/purchaser. Warranty coverage is limited to 1 year for defective AA, AAA, & D cell batteries. CRS (cold rolled steel) Manual Fire Pit Kits and Fire Rings are warranted for 1 year. Stainless steel Fire Rings, Manual Fire Pits are warranted for 3 years. Complete Fire Pits are warranted for 3 years on parts and in-house (HPC) labor. This warranty will apply only to claims presented to us by our original customer. The defective product must be shipped back to HPC with an RMA (Return Merchandise Authorization) issued by HPC (usually by FAX from HPC) for that specific product and any additional information for the nature of the defect or warranty claim. If supporting documentation is needed to establish the purchaser or purchase date, a copy of the original purchase invoice may be requested by HPC.

Product that is tested and verified by HPC as "defective" will be processed only if the warranty form is filled out and returned in the box along with defective product (RMA Form). This warranty does not cover items that have been damaged by over heating, modification, abuse or improper storage, installation or maintenance. The 3 year labor customer reimbursement warranty allowance (up to \$25.00) is limited to the product warranty period. Warranty period commences from date of original sale/shipment from HPC FOB Dayton, OH. This warranty excludes claims for consequential, indirect-collateral expenses arising from product defects or warranty recovery.
