

# morsø

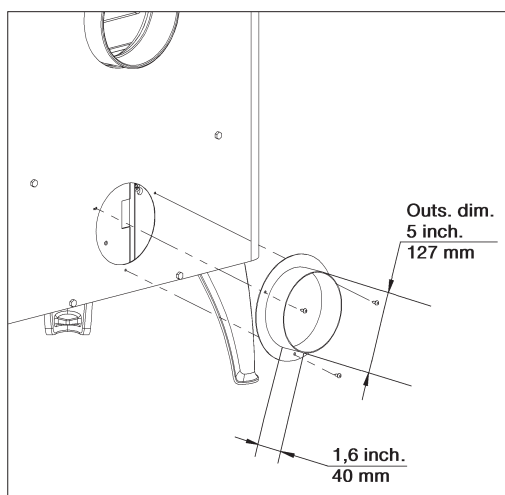

By appointment to  the Royal Danish Court

## Installation Instructions

### Air Kit Morsø 3600/7110 For use in North America

#### Kit Contents:

- (1) Air duct adaptor
- (2) 3,5 X 6,5 mm sheet metal screws

#### Installation:

1. Place adaptor flange against the shield aligning the three pre-drilled holes of the flange to the holes on the shield.
2. Install the three sheet metal screws securing the flange to the shield.
3. Installation is now complete. You may now connect your air duct to the stove.

#### Floor to center of the air collar:

**12,8 inch (322 mm)**

#### Right side of the unit to center of air collar:

**14,6 inch (371 mm)**
