RAIS Gabo Gas II

The unique Gabo Gas II stove has beautiful crafted ceramic logs and embers and burns with a natural fire. It is safe and clean to use, and unlike real logs, gas burning does not create ashes or soot particles. The innovative control system for this stove makes heat adjustment a very simple matter.

The Gabo Gas II has been designed according to the best of the Rais traditions where design, quality, functionality and safety are the four corner-stones of all our production.
