

RAIS Pina

The RAIS Pina gives a whole new meaning to high quality and high living. An award-winning innovation of design creativity, the RAIS Pina's unique elegance and distinctive design makes this stove functional as a practical room divider and an exclusive piece of furniture that warms your house and entices the eye. The RAIS Pina was honored with the VESTA design award by the American Hearth & Home magazine, and this stove's every detail has been honed to perfection to produce what we believe is a masterpiece of stove-making.
