Built-in electric fireplaces are a perfect substitute to existing gas and wood-burning fireplaces. Since they don't require a vent, they can be easily installed anywhere in your home.

If you have limited space, then the BLT-IN 38" is your answer. This easy-to-install unit adds a clean, fresh look to any room in your home. The crystal black glass face comes standard, or create your own style with optional real stone upgrades. The BLT-IN-38 comes with three colors of fire glass media, see fire glass colors on page 3.

Unit can be built into the wall with only 1 1/2" protruding into the room
