BLT-IN-36 Electric Fireplace shown with Metallic Black face and Aqua fire glass

BLT-IN-36 SPECIFICATIONS

BUILT-IN SERIES Fireplace Features

- 16 gauge steel fronts featuring a 45/45/90 degree return with welded corners, sanded, dipped and coated. This equals a 1.5 inch return and gives the product a very rich feel.
- BLT-IN-36 & BLT-IN-62 come with three colors of fire glass media.
- Featuring LED light technology.
- No heater
- No fan
- Unit can be built into the wall with only 1-1/2" (3 cm) protruding into the room.
- Slim 6" overall depth unit mounts directly on any wall.
- 12 Volt
- Remote control for turning the flame on or off (included).
- Easy to reach manual controls.
- Fireplace ships in two boxes: one for the unit and one for the front face.

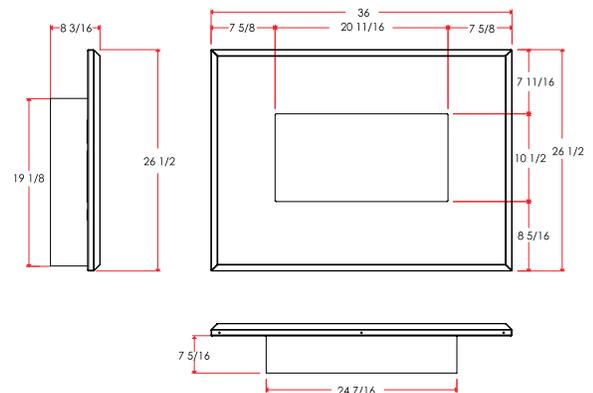

Functional & Edgy.

Built-in electric fireplaces are a perfect substitute to existing gas and wood-burning fireplaces. Since they don't require a vent, they can be easily installed anywhere in your home.

If you have limited space, then the BLT-IN 36" is your answer and comes in Textured Black or Metallic Black. Included with the BLT-IN-36 are three colors of fire glass media, see fire glass colors on page 4. (Metallic Black face shown to the left)
